

At Bannockburn we think of our Growth Groups as the hub in which all members get involved in the life of the church. It's easy to come to worship and be inspired by our great music and preaching, but after a few weeks you will begin to hunger for more friendship and encouragement. Accept our challenge by prayerfully taking this brochure and trying a Growth Group this Sunday. We truly believe you will find a home within one of our groups. Take your time and try out several classes. One class does not fit all; each class has it's own personality. If you have questions, please come by the Welcome Center and we will help you find a class today.

All Preschoolers, Babies to Four years (Older Pre-K birthdates from 8/01/06 to 8/01/07), register in the Preschool Area of the Abington Center.
All Children, Kindergarten through 5th grade, register in the Children's Center foyer.
All Youth, 6th grade through 12th grade, register in the Family Center Gym.
